

job

GRAPHICS ARTIST

type of employment

This is a contract type work based on individual work requests, (approximately two job per week).

main responsibilities

Would be responsible for converting customers sketch into print ready art work. Some opportunity to optimize the customer's request.

Types of jobs are brochures, restaurant menus, advertising flyers, business cards, and outdoor signs & banners.

qualifications

Need to be able to work indepently and meet tight deadlines.
Some experiance in requirements for print-ready art work

salary / wage

This to be discussed but probably in the range of \$15 to \$30 based on complexity of the customer request.
