### Prepress Technician

Cambridge Label has an immediate opening for a Prepress Technician. This is a permanent full-time day position with benefits. If you're looking to work in a fast-paced and growing company, and enjoy a team atmosphere, this is the workplace for you! In this role, the prepress technician is responsible for layout and preparation of electronic files per customer and printer specifications to produce press-ready files.

#### Responsibilities include:

- Accurately check files to ensure they are press-ready. This includes checking for document size, colour separations, resolution, minimum press specifications, spelling, and so on.
- Exercise good judgment and decision-making based upon the client's requirements and the plate making and printing processes being used.
- Create job layout and printing marks to customer specifications.
- Any other duties as assigned.

#### Requirements:

- Post-secondary education in pre-press or computer graphics
- Proficient in Photoshop and Illustrator
- Experience in a printing pre-press environment an asset

**About our company:** Founded in 1998, Cambridge Label is Canada's largest trade label supplier of printed labels.
