Labelcraft Products is a label and promotional products printer in business since 1967. We offer: Pickering location (perfect for those living in Durham or in the East End of the GTA who don't want long commutes) Day shifts, 6AM - 4:30PM Monday to Thursday for 40 hours and a long weekend every weekend, Competitive wages, Health Benefits and a small family operated team based environment.

Labelcraft is currently looking to hire a full time, permanent Press Operator. Duties are as follows:

- Prepare, Operate and maintain the printing press following established Standard Operating Procedures.
- Monitor paper feeder and make adjustments to ink distribution
- Monitor to ensure accuracy of product being printed to docket specifications ensuring quality and quantity of order is precise.
- Continually monitor print quality, sign off on Quality Control sticker on each docket to confirm accountability for the quality of work produced.
- Initiate opportunities for cross training on other presses/equipment to ensure well rounded knowledge of all processes within the facility.
- Communicate regularly with Plant Manager any constraints regarding press operation.
- Maintenance and cleanliness of the press and press area as outlined in company GMP's.
- Work effectively as a member of the team demonstrating respect and maintaining open communication with all areas of the organization.
- Multitask as necessary and when able in order to maximize work hours.

This is a great opportunity for someone with an interest in Printing to join our amazing team! .We recently had two employees retire after 40+ years with us who will always be part of the Labelcraft family. We think this speaks volumes for the work environment we offer here.

Give us a call 905-428-3843 or submit a resume to [stomlinson@labelcraft.ca](mailto:stomlinson@labelcraft.ca), we'd love to talk to you about what we have to offer!
