About StickerYou:

Our mission is to be the best platform for custom products that make you stick! Our platform can creatively and affordably empower any brand and allows unlimited personal expression. Our technology can produce the best sticky products in any size, shape, and quantity needed. We believe in the enormous power of customization. We are a global company with talent based in Toronto, Canada

Position Overview:

We are looking for a detail-oriented individual that can work quickly under pressure, in a demanding and fast-paced environment. The Junior Graphic Designer will be responsible for creating web ads, tradeshow planning & booth design, blog images and creating print-ready files. The successful candidate will be available to work Monday-Friday, 9-5.

Requirements:

- A strong understanding of Adobe Illustrator and Photoshop is a must
- A general understanding of print production
- Exceptional problem-solving skills
- Strong time-management and organizational skills
- Able to work without direct supervision
- Strong attention to detail and ability to concisely communicate with internal teams

Responsibilities:

- Creation of web ads for affiliate networks
- Planning and organizing various tradeshows, along with the creation of tradeshow props and promotional materials
- Follow marketing briefs for the creation of blog images
- Conducting quality control adjustments on high priority orders
- Follow sales briefs for the creation of custom artwork
- Creating print-ready files based on our printing specifications
- Creating, uploading and maintaining assets and templates on our website

Job Type: Full-time
