

PRX PRINT

Mississauga company seeking full or part-time digital prepress/press operator for brand new equipment. We are located convenient to all major highways (401, 407, 410 and 403) near Dixie/Courtney Park.

Job duties will be to preflight all files for digital in-house printing, edit, proof, colour match and operate digital press to prepare labels for shipping to customers.

This person will collaborate with customer service staff and customers on art- or file-related matters.

Must have experience operating a digital press (i.e. HP Indigo, Konica Minolta, Canon, Xerox or similar). In-depth knowledge of Adobe Illustrator, Photoshop, MS Office, "step and repeat" functions, file setup and colour adjusting.

Must be an independent thinker/worker, ability to troubleshoot problems, have reliable transportation, great work ethic with "can do attitude", and good people skills to communicate with clients when necessary. Press training will be provided on this brand new equipment.

We offer flexible working hours, a clean shop and a very friendly atmosphere. Position can be part-time or full-time depending on the right individual's needs.

Pay is \$20/hour.

Email digitalpressresumes@gmail.com and if we consider you a candidate, we will contact you for an interview. Position will commence in January 2018.
