

Immediate Opening at Sam Chung & Associates Inc

The Position: ***Packaging Graphic Designer with 3D printing experience***

Sam Chung & Associates Inc. is searching for a talented Packaging Graphic Designer with 3+ years of experience. And has contributed to brainstorming, ideation, conceptual design and implementation.

We are looking for an organized, detail-oriented, creative designer to add to the services that SCA currently offers. This person will be providing conceptual designs, final art files and would have experience in 3D printing.

RESPONSIBILITIES

Develop and present creative concepts that meet the clients' requirements

Ensure all specifications are interpreted and applied accurately to the production of artwork

Ensure artwork produced meets the agreed standards for performance, timeliness, and accuracy and is in compliance with client requirements

Stay abreast of new software where appropriate, that will maintain SCA's competitive position in the marketplace

Other duties as assigned

REQUIREMENTS

Post-secondary degree in Graphic/Packaging Design

1-3 years of related graphic design experience

Intermediate and working knowledge of 3D printing and associated software, Adobe Illustrator, InDesign and Photoshop

Demonstrated knowledge of the full printing process

Ability to work independently and within a team environment

Excellent communication skills – verbal and written

Ability to prioritize and multi-task to meet deadlines

Ability to present ideas with confidence

If this sounds like you, we encourage you to send your cover letter resume, and portfolio (PDF or online) to: gmais@scagraphics.com
