Flexo Press Operator

About Jones Packaging Inc.

Internationally recognized for our expertise in printed packaging, contract packaging and medication dispensing and delivery products, Jones is a partner for customer-first integrated packaging solutions.

From folding cartons, labels, leaflets, intelligent packaging, pouching, blister packaging and vial filling to a wide range of medication dispensing products for pharmacies, hospitals and long-term care facilities, we offer many options to simplify the process for our customers while maximizing their brand's value and ensuring consumer well-being.

Summary of position

The Flexo Press Operator will be responsible for minimizing downtime and maximizing production while achieving consistent high quality printing on the Flexo Press while working with and leading press crews to ensure operation is kept at maximum efficiencies. This position may require working through a three shift rotating operation or a rotating continental shift.

Duties and Responsibilities

- Direct press crews ensuring coverage for absences
- Organize running orders as per the production schedule
- Notify Supervisor and Scheduling of any scheduling changes
- Plan ahead for upcoming schedule when possible
- Ensure correct approved copies for graphic and die configuration are available
- Mount plates for each order and ensure proper gearing is installed
- Install appropriate magnetic cylinders; mount and test dies
- Ensure ink is staged and there is a proper amount to complete order.
- Ensure all necessary supplies are available and ready for the next production order and available to the presses
- Ensure anilox, pumps, pans, doctor rollers are cleaned and ready for next order and that doctor blades are installed when necessary
- Assume operation of the press during break and lunch times
- Approve and sign off jobs for die cut, print, and colour
- Perform and record weekly maintenance duties
- Ensure proper training of press crews is maintained
- Ensure job history and colour standards are maintained and up-to-date
- Ensure all maintenance issues are communicated to Supervisors
- Ensure work areas are kept clean and organized

Key qualifications

Experience and Education (diploma, degree, or professional designation):

- High School Diploma and Certificate in printing/packaging an asset
- Minimum 5 years experience operating a flexo press, full knowledge of printing on multiple substrates, using four colour process UV and waterbase inks, plate mounting, as well as inline die cutting is required.

Knowledge, Skills and Abilities (KSAs):

- Basic math, good eye/hand coordination, colour perception (must pass colour acuity test), decision making/problem solving skills, manual dexterity, and good concentration and mechanically inclined.
- Team approach to solving problems, ability to work harmoniously with team members, pride in workmanship, attention to detail, alertness, neatness, accuracy and one who enjoys a challenge and gaining new knowledge

How to apply

Please forward your cover letter and resume to wearetheones@jonespackaging.com before **April 30, 2018**. While we thank all candidates for their interest, only those selected for an interview will be contacted.

As part of our commitment to accessibility for all persons with disabilities, Jones Packaging Inc. will, upon the request of the applicant, provide accommodation during the recruitment process to ensure equal access to applicants with disabilities.
