

Job Posting Graphics Designer

Pre flight files prior to going to plates

Fast Track Packaging

We are a fast-growing innovative company with a high pace environment with graphics.

We are looking for somebody in the Guelph area that is seeking either full-time, part-time, or freelance, to work with our graphics team on design and pre-flighting of files before they get printed.

Please contact me and we can further discuss this opportunity.

We are the leading in the BEER can industry with sleeved beer cans, wine cans, and decoration of cans in Canada and in the US.

Flexibility with working from home. We need this person to start as soon as possible.

Thanks,
Michael
